At Marwiz, first impression is everything when it comes to attracting potential buyers and investors and Marwiz can help you make a powerful first impression. We are the only advertisers that provides the flexibility of content creation and scheduling at your own convenience in a hassle free manner.

Here are some of the advantages of using MARWIZ's smart digital signage solutions for your Educational institutes:

Our smart signage helps you present your institutes in the best possible limelight to capture attention of your potential students.

Our cutting edge technology will help you supervise your students better.

Our technology is not only limited to signage, it can be implemented to cameras that will help you take attendance of students and automatically send messages to their parents.

Our smart signage also helps portray your institute's infrastructure, teaching methods and achievements in the most eye capturing manner.

Our cloud based system will help you plan and schedule content on your signage and other display appliances according to your requirement and audience.

Our smart digital signage system can be installed in your already owned appliances, decreasing your cost for upgrading your infrastructure.

Integration of our technology with your business will help you stand out from competition.
