HOW MARWIZ : A Smart Digital Signage Solution useful to Shopping mall ?

Marwiz, a leading provider of smart digital signage solutions that can help you present your projects, products and business in a dynamic and engaging way. With the power of cutting edge AI technology, you can make a lasting first impression on your potential customers and investors by showcasing your projects in the best possible limelight.

At Marwiz, first impression is everything when it comes to attracting potential buyers and investors and Marwiz can help you make a powerful first impression. We are the only advertisers that provides the flexibility of content creation and scheduling at your own convenience in a hassle free manner.

Here are some of the advantages of using MARWIZ's smart digital signage solutions for your Shopping mall:

Installing our smart signage increases attractiveness of your infrastructure.

Partnering with us will lead to generating a stable source of extra income.

Providing service to various different aggregators under one brand – hassle-free, has the uniform quality of service.

We also help you to integrate your technology in your already owned devices, thus reducing the cost of up-gradation of the infrastructure.

Our AI based technology uses face detection at core which will provide you with data analytics report every month that will tell you about the satisfaction rate of the visitors, which can be used for marketing purposes.

Aggregators can continue to be the owners of the product (eg: screen, TV, a billboard that shows ads.) Only the ads are shown through MARWIZ.

Our smart signage gives you facility to change and schedule the content to be displayed on the screen.

We also provide you a one stop platform for creating content with all the latest tools and features at no cost

Such smart signage can become a medium for interactive marketing campaigns for the shop owners in the mall.
